We need a Churchwarden! Please can you help?

For several years now, Mrs. Jackie Lloyd has been doing a magnificent job as sole Churchwarden, but every parish should really have two Churchwardens, and so we urgently need a second Churchwarden to share the task with Jackie.

Please consider carefully if you would be able to take on this important role in the life of your church. It does not matter if you have no idea what a churchwarden actually does, as Jackie will willingly explain and help you.

Please also consider carefully if you are able to offer to serve on the PCC (Parochial Church Council). New ideas, new enthusiasm and new energy are always needed to ensure the vitality of your Parish Church into the future. Please have a word with the Churchwarden or Rector if you would like to serve your Parish Church in these ways.

Annual Parish Meeting/Annual Parochial Church Meeting

These two meetings – which are so close together that they feel like one meeting – will take place this year before Evensong on April 9. Meeting starts at 5.30 p.m. Both meetings are open to anyone who wishes to attend, though there are restrictions on who may vote. The Annual Parish Meeting is for the election of Churchwardens, and anyone on the civil electoral roll who lives in the parish of Bubbenhall may vote. The Annual Parochial Church Meeting receives reports on the life of the church and hears any questions which you may have about Giles' Church. It also elects members to the PCC, and anyone who is on the church electoral roll may vote.

Next PCC Meeting: tba

Flowers in church

No Flowers in Lent.

Donations for Easter Lilies in memory of loved ones may be made to Jackie Lloyd.

The church will be open for decorating on Saturday, April 15th, or by arrangement with Jackie Lloyd.

Jackie would also welcome offers to arrange flowers in church during the rest of the year- perhaps on a date that is special for you and your family?

LENT STUDY GROUP 2017

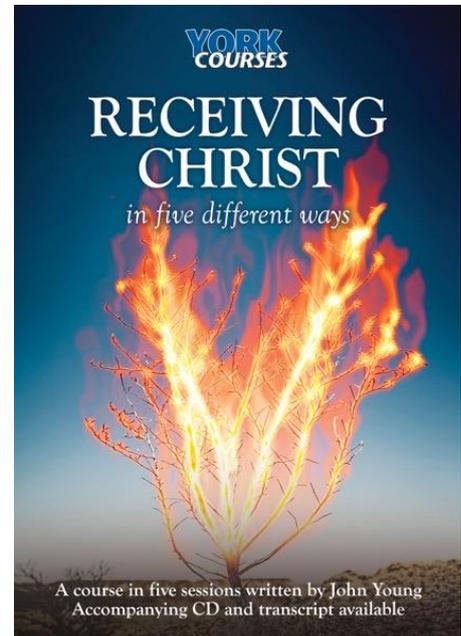

For this year's Lent Course, we are using a York Course called : 'Receiving Christ... in five different ways' with audio contributions by a number of well-known clergy and broadcasters.

The sessions are well put together and will provoke lively discussion.

The Lent Course meetings are taking place on Monday evenings in Ryton Church centre, starting with a cup of tea or coffee at 7.30 p.m.

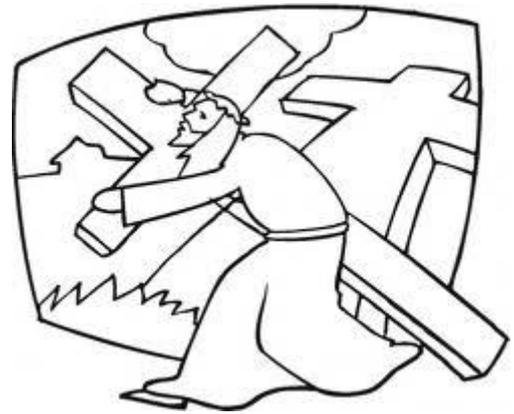

The sessions will finish by 9.00 p.m.

There are five sessions in all, but do feel free to come to any of them.

Lent Service: Stations of the Cross

On Thursdays in Lent, beginning on March 2nd , we are meeting at Ryton Church to meditate on the Way of the Cross- Jesus' last journey as he carried his cross through the streets of Jerusalem to the place of his crucifixion. Service begins at 6.30 p.m. and lasts about 40 minutes.

Tuesday February 28: Puzzles and Pancakes.

Our annual quiz for Shrovetide was very much enjoyed by all who attended: Many thanks to David and Frances for devising the questions and providing prizes, as well as acting as quizmaster and cook. Some of us found the questions a bit of a challenge, but everyone agreed that the pancakes were superb. All money raised will go to the USPG -the oldest of the Missionary Societies.

Mothersing Sunday: March 26th

We shall be celebrating Mothersing Sunday with a service of **Family Communion** at **11.00 a.m.** Posies of flowers will be available for children to give to their mothers/ carers.

On Mothersing Sunday we say thank you to our mothers....

... and make a bit of an effort, perhaps by tidying our rooms a bit.

Good Friday Workshop, April 14th, 10.00 - 11.30 am, in Ryton Church Centre

Everyone is invited, young and old, to join us in activities associated with the Easter story. We will be cooking, colouring, glueing, flower arranging and constructing an Easter Garden - and of course there will be Hot Cross buns!! Come and be part of the fun! The workshop will be followed by a short, child-friendly service in church.

Chad is a cartoon legend – and a very poor country in Africa

We think it's out-of-order that communities in Chad don't have toilets.

Will you take on our Wot no loo challenge?

This Lent, St Leonard's Church, Ryton is raising money for Toilet Twinning- a brilliant scheme that twins our lovely hygienic toilets with toilet facilities to be built in Africa or Asia. In return, we shall get a card showing us exactly where our twinned toilet is, and we shall display this in the toilets at church.

Please help us by putting the money you save by giving something up for Lent into a jamjar, or running a coffee morning, washing neighbours' cars, or other fundraising event. Then bring what you have saved or raised into church at Easter, and we will send the total off to Toilet Twinning.

Further details from toilettwinning.org, or just Google "Toilet Twinning"

Gift Aid it! If you are a UK taxpayer, the charity can claim the income tax you have already paid back from the Government, thus increasing the total benefit to people in poor countries like Chad.

Gift Aid forms available in Church- please fill one in if you are a taxpayer.

Children in church.

Although we do not at present have the resources to run regular services for children at Bubbenhall, we love having children in our churches, and there is **always provision for them at the 9.30 a.m. services at Ryton.**

All families with babies and children are sure of a warm welcome whenever they can join us. All Ryton Sunday morning services start **at 9.30 a.m.**, and the pattern is:

2nd Sunday in every month: Village Worship.

The most informal of all our services.

We start in the Church Centre (warm and welcoming) with workshop activities for children, and coffee, puzzles and chat for grown-ups to get to know one another.

At about 10.00 we move into church for a short and child-centred service.

There is no need to be there on the dot of 9.30- people drift in as soon as they can make it.

4th Sunday in every month: Family Service.

An all-age service of readings, songs and activities with everybody young and old in church together.

Children always participate in the readings/ drama sketches etc. and several people bring instruments to accompany the songs. (and any other musicians among you and your children would be very welcome to join them)

Tea/coffee and cake after the service in the Church Centre.

1st and 3rd Sundays in every month: Parish Communion with Sunday School.

Tea/coffee and the chance to socialise after every service. Children start the service in church with their parents, and after the first hymn go out for Sunday School activities in the Church Centre, returning to receive a blessing at the time of Communion. Parents are welcome to accompany their little ones to Sunday School and stay with them if they lack confidence at first.

Families from Bubbenhall are especially welcome at all these services.

At these services, we also have a robed choir which includes older children (aged about 8 and upwards) and teenagers: anyone whose son/daughter likes singing might consider encouraging them to join the choir. If your son/daughter might like to be part of the choir, please contact Barbara Marsh, our choir mistress on geoffandba@gmail.com (tel. 02476 304295)

Thought for the month: From our Rector, the Revd. David Wintle.

“Remember that you are dust and to dust you shall return”. If you come to church on Ash Wednesday, or if you came – Ash Wednesday falls on March 1st this year – those are words you would hear. They are part of the rite of “ashing”, when the priest smears a little ash on people’s foreheads; it’s a very ancient tradition, and it is what gives Ash Wednesday its name.

The congregations at our Ash Wednesday services will not be huge – they never are – and I can see one reason why:

telling people that they are dust, reminding them of their mortality and of their relative insignificance, is never going to be a great selling point.

But I want to speak up for dust. Dust is a remarkable substance. It contains up to 92 naturally occurring chemical elements. These 92 elements are spread throughout the universe: astronomers think that our own galaxy, the Milky Way, contains 100 billion stars, and there might be 100 billion other galaxies. And yet those same 92 chemical elements make up everything, or at least everything that lasts for more than a fraction of a second – including you and me.

Not only is everything made of the same stuff, but 91 of these 92 elements are made by fusing other elements together. And for that to happen, stars have to die. The vast temperatures and pressures needed to do the fusing can only be found when a massive star explodes at the end of its life.

To make us, to create the elements that compose the dust that we are made of, stars had to die. That’s how amazing and special dust actually is.

To quote a song from the 1960s: “We are stardust, we are golden”. Stars had to die to make us. That’s how special we are. But, important as it is, the dust that we are made of has been used over and over in the past and it will be used many times more in the future.

But it’s not only stars that died to make us. Each one of us is so important to God the Father that He sent His Son Jesus to die and to rise again to show us that His love is stronger than death. As the Bible says (Ecclesiastes 12.7): “The dust returns to the ground it came from, but the spirit returns to God who gave it”.

“Remember that you are dust and to dust you shall return. Turn away from sin and be faithful to Christ.”
