Wroth Silver ceremony.

Breakfast afterwards at the Queen's Head, Bretford.

This is said to be Britain's longest running annual ceremony being recorded as 'ongoing' in 1086 and on this site since 1170.

The ceremony takes place at the stone, the base of an old wayside cross, on the mound at the top of Knightlow Hill every 'Martinmas Eve before sun-rising'. That means on 11 November every year just at first light the Wroth Money is collected from the parishes of the Hundred of Knightlow (this includes Ryton and Bubbenhall) by the Agent to the Duke of Buccleuch. In practice that is about 6.45am but it varies with the first light of dawn. Anyone is welcome to attend. Many people will be regular attenders and will be bringing their children.

The actual collection from the 25 parishes only lasts about four and a half minutes so do not be late!

Many people will already have been to the local pub, The Queens Head in Bretford (CV23 0JY Tel. 024 76542671 www.thequeenshead-bretford.co.uk) for the traditional drink of rum and hot milk. The bar usually opens at 6.00 am

All will then return to The Queens Head for a breakfast and speeches. Please note that breakfast tickets need to be pre-booked directly with the Queens Head, (breakfast cost was £13 in 2014.) Included in the price is a glass of rum and hot milk with which to toast the health of His Grace and a churchwarden pipe (tobacco supplied). People will be departing by about 8.45am. Thought for the Month: from our Rector, the Revd. David Wintle.

Remembrance

November is the month of Remembrance. It is not difficult to look back with sorrow, but sometimes we need a little assistance before we can look forward with hope. Here are two people who can help us to do just that: Most of us have probably heard of Anne Frank and her Diary. Even when exposed to inhuman conditions, she maintained her faith and her hope that good would overcome evil. She wrote this:

It's really a wonder that I haven't dropped all my ideals, because they seem so absurd and impossible to carry out. Yet I keep them, because in spite of everything I still believe that people are really good at heart. I simply can't build my hopes on a foundation consisting of confusion, misery, and death.

I see the world gradually turned into a wilderness. I hear the ever approaching thunder, which will destroy us, too. I can feel the suffering of millions and yet, when I look up into the heavens, I think that it will all come right, that this cruelty too will end and that peace and tranquility will return again.

In the meantime, I must uphold my ideals, for perhaps the time will come when I shall be able to carry them out.

These anonymous words were found on the wall of a cellar in Cologne, Germany, where Jews hid from the Nazis:

I believe.

*I believe in the sun,
even when it is not shining.*

*I believe in love,
even when feeling it not.*

*I believe in God,
even when God is silent.*
