Harvest Supper

To be held on Saturday, October 20th in the Village Hall. This is a good get-together with supper followed by country dancing. Great fun, if somewhat chaotic! So bring the family. Tickets will be available from the beginning of September.

THANKS as usual to all contributors.

Next issue will be circulated early December (memories of summer long gone!). Items for publication in writing please to Rene Beale, 10, Waggoners Close, Bubbenhall, Coventry. Coventry 301727.

PARISH COUNCIL

Parking, Lower End. The Parish Council has taken up again both with the County Council and the District Council, the question of the alleviation of the parking problems in Lower End in the vicinity of Avon Terrace. A petition, with 368 signatures, was handed in and Councillor C. S. Cleaver has agreed to present it formally to Warwick District Council at its next meeting. In the meantime, the Parish Council has had some preliminary correspondence with the County Council's Planning and Transportation Department and the District Council's Housing Department, from which it appears that the situation has not changed since 1974 - each Council is referring the matter to the other - the District Council to the County Council as the County Council is the Highways authority, and the County Council to the District Council as the builders of Avon Terrace without parking facilities and that the County has no money for the provision of lay-bys. The District Council counter this view by stating that a number of the properties in Avon Terrace are now privately owned, and that it is not the Council tenants who are causing parking problems there. It is understood that the petition will be referred to the appropriate Committee of the District Council for consideration.

Cherry Lane. If anyone has any information as to the actual ownership of Cherry Lane, would they please get into touch with the Parish Rights of Way officer, Mr.G.Glover, 1 Grimes Cottages, Spring Hill.

Recreation Ground. Improvements have been made to the approach to the slide in the interests of safety, and the Parish Council is considering the laying down of a safety surface underneath the swings.

Footpath - Coopers Walk to A.445. The Parish Council raised with both the District Council and the County Council the condition of this footpath and the need for it to be cleaned. As a result the footpath has been cleaned and cut back.

Fouling by Dogs. The Parish Council has arranged for notices to be placed (a) at each end of the footpath between Coopers Walk and the A.445, (b) on the Recreation Ground and (c) in the Churchyard asking dog owners to prevent their animals from fouling the area.
