**BUBBENHALL VILLAGE NEWSLETTER**

November 1995.

No.36.

PARISH COUNCIL.

Both the "Enhancement of the 'Spout' Garden and the "100 Years of Bubbenhall Parish Assembly Meetings 1894-1994" projects received Commendations in the final judging of the 1995 Village Venture Competition. It was suggested that when the former project is completed, it should be re-submitted as an entry in the next competition.

You will also be interested to know that the "100 Years" project has now been finally printed in book form and will be available for sale in November. Please contact either Jackie Lloyd or myself for details. It represents a very human account of Bubbenhall's development during a particularly interesting period, and makes both fascinating and humorous reading. It would not have been possible to complete this project, however, without the unstinting efforts of Dick Friend and Clive Trentham, to whom we are greatly obliged.

New litter bins have been installed in the play area of the recreation ground, adjacent to the Village Hall car park - PLEASE ENSURE THAT THEY ARE PUT TO GOOD USE.

Peter Bird,  
Clerk to the Parish Council.

Coventry 305448.

50+ CLUB.

As Winter is now almost upon us, we recall with pleasure, the endeavours of some of our members who participated once again, in the Malt Shovel Flower Show last September. Mrs. Flo. Sharp won the Rose Bowl in the Ladies Section and Mrs. Wadland was also a successful prizewinner.

In the Autumn, most of us were pleased to receive Harvest produce from the Church and very much appreciated the kindness of villagers who consider their 'oldies' with such thoughtfulness. We, in some small measure, tried to help others by holding a raffle and this year we supported the Gideon International Society.

On the 18th October, all 50+ members converged on a local pub for a pleasant lunch which concluded our outings for 1995.

Christmas is steadily drawing nearer and the Club is busying itself with the preparation of our usual stall for the Annual Fayre at the beginning of December. Members co-operate
