VILLAGE HALL

Our hall has been well used during the summer with a number of social activities and the starting of the over 50's club.

The car park final coating has been completed and in a few months time the top stones will be removed and the car park marked out.

In cooperation with the Parish Council the outside slabbing to the hall has been increased, and the entrance to the field by the telephone box has been completed to make the areas more practical for use.

An application has been made for a grant from the District Council and the County Playing Fields Association have agreed to help financially so that during the Autumn, Winter and Spring a cricket table can be prepared in the sports field, and we will then have all the facilities for our future Village Cricket team in 1988.

It is being arranged to have the main hall floor polished (not too shiny) on a regular basis to maintain a good standard of finish.

Now that the Autumn and Winter months are drawing close it is hoped that the cheerful and warm surroundings of our hall will encourage its use.

50+ Club

A 50+ Club has now been formed in the village. Anyone in this age group is welcome to come to meetings every fortnight on a Wednesday at 2pm in the Hall, for a convivial get together with tea and biscuits. We aim to make these meetings as interesting as possible, with occasional speakers, trips and coach outings coupled with light-hearted meetings, which we hope will be accepted by the people in our village as a break from every day tasks. Notice of events will be shown in the Church Magazine. New members are welcome and if there are any younger drivers in the village who would care to offer their services on a voluntary basis for occasional outings etc., Mrs Peacock of Weston Lane would be most grateful to hear from them.
