## Lent Service: Stations of the Cross

On Thursdays in Lent we are meeting at St Leonard's Church, Ryton to meditate on the Way of the Cross – Jesus' last journey as he carried his cross through the streets of Jerusalem to the place of his crucifixion.

Service begins at 6.30 p.m. and lasts about 40 minutes.

## Monday February 16: Puzzles and Pancakes.

Our annual quiz for Shrovetide was very much enjoyed by all who attended: Many thanks to David and Frances for devising the questions and providing prizes, as well as acting as quizmaster and cook. Some of us found the questions a bit of a challenge, but everyone agreed that the pancakes were superb. £147.50 was raised for US (formerly USPG)- the oldest of the Missionary Societies.

## Lent Lunches at Baginton

We are looking at some texts and this year the theme is Songs of Praise in the New Testament, with audio contributions by The Most Reverend Justin Welby - Archbishop of Canterbury, Sister Wendy Beckett ('the art Nun') and David Suchet - known to most of us as Poirot.

There will be five sessions in all, but do feel free to come to any of them.

## **Annual Parish Meeting/Annual Parochial Church Meeting**

These two meetings – which are so close together that they feel like one meeting – will take place this year before Evensong on April 12. Meeting starts at 5.30 p.m. Both meetings are open to anyone who wishes to attend, though there are restrictions on who may vote. The Annual Parish Meeting is for the election of Churchwardens, and anyone on the civil electoral roll who lives in the parish of St Leonard may vote. The Annual Parochial Church Meeting receives reports on the life of the church and hears any questions which you may have about St Leonard's. It also elects members to the PCC, and anyone who is on the church electoral roll may vote.

Please consider carefully if **you** are able to offer to serve on the PCC (Parochial Church Council). New ideas, new enthusiasm and new energy are always needed to ensure the vitality of your Parish Church into the future. Please have a word with the Churchwardens or Rector if you would like to serve your Parish Church in this way.

## Children in church.

Although we do not at present have the resources to run regular services for children at Bubbenhall (though Mothering Sunday is coming up on March 15), we love having children in our churches, and there is **always provision for them at the 9.30 a.m. services at Ryton.**

All families with babies and children are sure of a warm welcome whenever they can join us. All Ryton Sunday morning services start **at 9.30 a.m.**, and the pattern is:

### **2nd Sunday in every month: Village Worship.**

The most informal of all our services. We start in the Church Centre (warm and welcoming) with workshop activities for children, and coffee, puzzles and chat for grown ups to get to know one another. At about 10.00 we move into church for a short and child-centred service. There is no need to be there on the dot of 9.30- people drift in as soon as they can make it.

### **4th Sunday in every month: Family Service.**

An all-age service of readings, songs and activities with everybody young and old in church together. Children always participate in the readings/ drama sketches etc. and several people bring instruments to accompany the songs. (and any other musicians among you and your children would be very welcome to join them)

Tea/coffee and cake after the service in the Church Centre.

### **1st and 3rd Sundays in every month: Parish Communion with Sunday School.**

Tea/coffee and the chance to socialise after every service. Children start the service in church with their parents, and after the first hymn go out for Sunday School activities in the Church Centre, returning to receive a blessing at the time of Communion. Parents are welcome to accompany their little ones to Sunday School and stay with them if they lack confidence at first.

At these services, we also have a robed choir which includes older children (aged about 8 and upwards) and teenagers: anyone whose son/daughter likes singing might consider encouraging them to join the choir. If your son/daughter might like to be part of the choir, please contact Barbara Marsh, our choir mistress on [geoffandba@gmail.com](mailto:geoffandba@gmail.com) (tel. 02476 304295) We also offer the opportunity for children and young people to train to become altar servers at the Parish Communion services at both Bubbenhall and Ryton. Contact Rosemary on [rbking007@btinternet.com](mailto:rbking007@btinternet.com) (tel 01788 573067) about this.

## Thought for the month: Lent.

### From our Rector, the Revd. David Wintle.

If we own a car we know that it needs regular servicing. We have to watch our computers to make sure they work – regular virus scans, freeing up disk space. Even a heart pacemaker has to be checked regularly. We are told that we ought to have our teeth examined every six months. These things are important for us, to get us where we want or need to go, to help us to work or to play more efficiently, to keep us in good health. What about our spiritual health? Just as a car can break down, a computer go on the blink, a pacemaker lose its rhythm or our teeth fall out, so our Christian life can end up with the wheels off or the battery flat or overwhelmed by pressure from outside. Many people experience loneliness, despair, or loss of faith. The temptation comes to take life easy, to reject our calling, to use our abilities in the wrong way. That is when we need our MOT, our servicing, our check-up. Every year, Lent arrives to give us this opportunity.

Perhaps we have stopped talking to God, or maybe we feel that he has stopped talking to us. Receiving Holy Communion may have become something of a duty or a habit, rather than an inspiration. Our reading of the Bible may have lapsed. Our standards of honesty, purity, generosity and kindness may have diminished.

This season of Lent gives us a time when we can try to make some extra effort in our Christian life. We may do rather ordinary things such as deciding to give up smoking or chocolate or alcohol, to eat no sweets or to have no sugar in our tea. These may make us healthier, but they don't do a lot for our spiritual growth. Perhaps it is more important to give, rather than to give up; to examine our life style and to determine to improve it: to look at Jesus' response to his temptations and to know our bibles better.

Every one of us is aware of parts of our lives where renewal and change are necessary; when we have lost the vision that we once had in our prayers, sacramental life, morality and knowledge of God. We know those parts of our lives which are "in the wilderness" and which need to be checked. Just as our car may grind to a halt or its brakes fail, our computer suddenly lose all the work we have just completed; or as our pacemaker may need a new battery, or our life be suddenly made misery by toothache, simply because we have failed to service them, so our spiritual life is in danger of getting out of control because we have forgotten the pattern that Jesus has set before us. Lent can be a time to find again our vision of God, to come out of the wilderness and make the changes that we know are necessary in our Christian life; so let us not miss the opportunity that this time give us, but encourage one another to make the most of it in every way.

## **Tailpiece: Notice of defective vicar**

It has come to our attention that the vicar you received was shipped with a slight defect: he is not psychic.

This defect necessitates certain special procedures to ensure optimum performance of your unit.

1. It is necessary to inform him of any parishioners who are in hospital.
2. It is necessary to inform him of any parishioners who are housebound.
3. If someone you know is sick or otherwise in need of the vicar's prayers, or if you know of someone who should be included in the prayers on Sunday morning, the vicar has to be told, or he won't know.
4. If you are in need of a pastoral visit or some other service from your vicar, you will get best results if you ask him.

We regret any inconvenience this may cause. If these special procedures create an undue burden, please feel free to send the unit back, and one with full psychic abilities will be shipped as soon as one becomes available.
