Why not join the choir? Why not become a server?

At St Leonard's, we have a **robed choir** which includes older children (aged about 8 and upwards) and teenagers: anyone whose son/daughter likes singing might consider encouraging them to join the choir.

New adult choir members always welcome too: If you enjoy singing and would like to join either the **robed choir** who sing for services twice a month, or the **augmented choir** ("singing for fun" -not robed) who sing for special events such as the Carol Service, please contact Barbara Marsh on 02476 304295. You do not have to be able to sight-read music- we are all learning!

At choir practice we work hard- but each practice only lasts one hour! And we have a brilliant director! Come and join us for fun and fellowship as we work together to produce a good sound.

We also offer the opportunity for children, young people and adults to train to become **altar servers** at the Parish Communion services at both Bubbenhall and Ryton churches. Contact Rosemary on rbking007@btinternet.com or 01788573067 about this.

Oli and Grace serve at the altar and read the prayers at St. Giles' Church, Bubbenhall.

People of all ages get involved at Village Worship and at Family Service.

Village Worship: Second Sunday of every month, 9.30 a.m.

Family Service: Fourth Sunday of every month, 9.30 a.m.

Do come along and bring the children!

Thought for the month: from our Rector, the Revd. David Wintle.

“He will never leave EU nor forsake EU”.

As I am writing this, there is news of yet another vote in Parliament over whether MPs will get a final vote on the terms for Brexit. At the same time, some newspapers are trumpeting about a new European copyright law which will “destroy the internet”. And that’s just today’s news. I can’t wait for tomorrow’s excitement.

The UK entered the European Union (then known as the European Economic Community) in 1973. Our time together with the other EU countries has had its good times and its bad times, just like a marriage. And the process of negotiating the leaving terms is as long-winded and sometimes acrimonious as any divorce proceedings.

The Israelites had escaped from slavery in Egypt (they nearly went back again; they had their “remoaners” too). They were about to venture into unknown territory, to cross the river Jordan into the land which God had promised them. And that is when Moses, their leader, said this: “It is the Lord who goes before you: he will not leave you or forsake you. Do not fear or be dismayed”. And what the Israelites accomplished when they had crossed the Jordan, the building of a new and great nation, could only have been done with God’s help

Perhaps many of those who are so anxious for the future are worrying too much about man-made institutions, world leaders or governments, or even their own finances. Institutions will come and go, governments will come and go, treaties will come and go, sometimes with great speed.

But God is eternal.

I don’t know what the future holds, but I know who holds the future, in or out of the EU. Our unchangeable God will always be there.

Tailpiece: Church closes for nesting blue tits

A CHURCH in Devon shut its doors to the public and silenced its bells for two weeks last month to protect a pair of blue tits and their eight offspring who had nested inside the lectern. The birds were discovered by Tony Batten, a parishioner of St Thomas à Becket, Sourton, in the diocese of Exeter, when he heard cheeping while carrying out routine maintenance.
