BUBBENHALL VILLAGE NEWSLETTER

February, 1996.

No. 37.

PARISH COUNCIL.

1. The Annual Parish Assembly meeting will take place in the Village Hall at 8.00 p.m. on TUESDAY, 26TH MARCH, 1996. As this is convened primarily for the benefit of residents, we hope there will be a good attendance.
2. Don't forget to purchase your copy of the '100 Years of Bubbenhall Parish Assembly Meetings' now on sale at £5.00 each. This is an interesting, informative and often humorous account of YOUR village from 1895 to 1995. Contact Jackie Lloyd (Tel:302836) or myself (Tel:305448). Proceeds will help fund Community projects.
3. Mrs. Sayers has kindly agreed to hold a drawing in the Village Post Office, showing details of the proposed 'Spout Garden' Enhancement Project. This will be available for viewing by residents until the end of March 1996.

Peter Bird,  
 Clerk to the Parish Council.

50+ CLUB.

We opened the New Year meetings on the 10th January with a joyous celebration of Mr. and Mrs. Freeman's Silver Wedding Anniversary, and wish them both a contented future life together.

1995 ended with our usual festive tea, when all members contributed goodies to make a really delicious spread.

The Tombola at the Christmas Fayre was also a success - villagers responding well to our bottle stall - thank you very much to all who participated at this happy time.

We now look forward to Spring, hoping for good weather, so that plans can go ahead, ensuring our group remains together for interesting and relaxing meetings on alternate Wednesdays.

50+ CLUB (Contd.)

If there are any 'scrabblers' in the village, we now have a 'Scrabble board' team which helps to keep our mental abilities in good fettle.

Bingo also continues on Mondays and this is open to anyone who would like a couple of hours in the company of others for a brief spell of 'housey' fun.....we welcome you.

Best wishes from the 50+ Club.

Kath McBroome, Secretary.

BUBBENHALL NEIGHBOURHOOD WATCH.

Several crimes have been committed in our area since the last publication of the Newsletter. Two have been isolated houses on the fringe of the area and an attempt in Lower End. There have also been several thefts from unattended motor vehicles left on driveways or on the road. Everyone is asked to be vigilant and report any incident which appears suspicious to the Police on 01926-451111.

There will be a meeting of Co-ordinators in the Village Hall at 7.45 p.m. on Thursday 28th March 1996.

R.B.Gardner, Chainman of Co-ordinators.

Coventry 303546.

MALT SHOVEL SPORTS & SOCIAL CLUB.

First a big Thank You to everyone who joined in the Boxing Day walk, bought raffle tickets and took part in the Auction afterwards. The sum of £370 was raised and taken to Myton Hospice.

A second Thank You to anyone who gave dog food for the Dog Rescue at Honiley. We took this to the kennels a few days before Christmas.

Our first event for the year will be the May Fair. This will be on Sunday, May 19th, and will be held in the Malt Shovel garden. This year we are having a competition for the best decorated "Transport", e.g., pram, wheelbarrow, bicycle, scooter, etc., in fact, anything with wheels. There will be a parade round the village complete with the band, ending at the Malt Shovel for judging. There will be the usual stalls and sideshows, so please join us if you can.

The other date we have arranged is September 14th, for the Flower Show and Car Boot sale. More details of this in the next Newsletter.

RAINBOWS.

We hope that you all had a good Christmas. Our Rainbows certainly sounded as if they had enjoyed their's.

We celebrated our 5th birthday in November and the girls made and decorated a small birthday cake which they took home. We had our usual noisy Christmas party, and our games stall at the Christmas Fair was again a huge success.

We started our Spring term with a visit to the pantomime - 'Little Miss Muffet' by the Phoenix Players. The girls (and Mums) enjoyed themselves, especially

DOG FOULING IN THE VILLAGE.

The Parish Council has had a number of complaints from residents of the village concerning the fouling of walkways, grass verges and other grass areas in the village.

We must remind all dog owners that it is a crime to allow dogs to foul these areas, and that when reported to the Parish Council, prosecution will take place and a fine will be imposed.

We trust this warning will be sufficient to stop this lack of control of the dogs, and that the Parish Council will not have to take action.

Vice-Chairman, Parish Council.

COVENTRY AIRPORT REPORT (Contd.)

5. The report of the air crash has now been presented, and there are many conclusions in a very detailed report. It appears that the descent of the plane was below the promulgated minimum descent height, and this was not called by the non-handling pilot. Also the performance of the crew was affected by tiredness, having completed 10 hours of flight duty during the night which included six approaches to land.
6. Parcel Force are increasing their road activity and ground purchase is taking place to enable them to improve their parcel sorting. There will be no increase in flying but will be an increase in lorries in the area.
7. Consideration is being given to having larger aircraft such as 727 and 737 using the airport. This will not involve more planes, but enable heavier loads to be used in an effort to increase profitability. Larger planes are often not so noisy as smaller ones. There is concern that the landing strip is only just long enough for such planes with heavier loads and will not allow them to have a long range of flying.

Coventry & Warwickshire Airport Action Group:-

1. Concern was expressed that no record was kept by the Airport as to whether the pilots follow the correct routes on take-off and landing, and response to complaints depended on memory. Advice is being sought from the C.A.A.
2. As a result of the crash report, letters are being sent to all our local M.P.'s, the Government and both local and national press, asking what is going to happen in the future as a result of the report, as it seemed this aircraft for four landings was off line and too low. It was felt the Report should not be forgotten.
3. The financial position of A.M. & I. (the joint venture company) was in question and efforts will be made to see if they are a viable company to operate the airport with all the necessary safety aspects and consideration for all the various villages around the airport.

A.R.Gibson.  
Councillor and Airport Representative.

RAINBOWS (Contd.)

booing at the baddie, cheering for the good guys, and of course, the obligatory shouting of "Oh no it isn't" , "Oh yes it is" and "it's behind you".

Mrs. Hennah, from Brownies, kindly came and gave the Rainbows a talk about Owls, and dissected owl pellets. This gave the girls an insight into what owls eat, especially when they found a small vole's skull.

We shall be holding a Disco on March 8th. Tickets will cost £1.50 per person. Hot dogs, crisps and drinks will be available to buy. This event is open to everybody.

We welcomed one new Rainbow this term, and at the time of writing we have a couple of vacancies.

BROWNIES.

Early February - and snow has stopped play! Just one meeting cancelled - we hope! Otherwise a busy half-term as usual.

The District Pack holiday held in November was very much enjoyed by the six Brownies attending it and most of the Brownies have now gained their Pack Holiday Badge. This term the whole Pack is working for their Road Safety Badge.

This year we plan to celebrate Thinking Day on home ground, with an evening together with the Rainbows.

The Pack is full, but we do have a waiting list - so don't hesitate to contact us if your daughter is interested in joining us.

We meet in the Village Hall on Tuesday evenings 5.30 - 7.00 p.m.

BUBBENHALL C.E. FIRST SCHOOL.

The children have settled in well this term with each class enjoying the work through their topics - Class 1 - Toys, and Class 2 - based on the book 'George's Marvellous Medicine'. The Summer Term's topic is a whole school one - 1864-1996. It will be a look at the school and village through 132 years of its history and will take us forward into the future.

We will be collecting our school log books from the Records Department at Warwick and would like to portray for the children how the school and village looked in the past. If you have any photographs, newspaper cuttings, books etc., that could be loaned long term or short term, we would be grateful, as any visual items really help the children to build up a picture of the village.

We would collect, put into plastic covers and ensure careful handling of any items you feel you could loan us.

Please contact any parent to pass on a message to me or telephone on 01203-303200.

BUBBENHALL FIRST SCHOOL PTA SUPPORT GROUP.

We have continued our fund-raising activities during the Autumn term. At the Christmas Fair we held a Christmas produce and cake stall. Thanks to everyone for their contributions, the stall looked really cheerful.

Since the beginning of the school year the PTA have funded the cost of a First Aid Video, coaches, software for the computer and paid for the toymaker to come into school. Therefore, our efforts are still needed to pay for the essentials our children require on a day-to-day basis.

Forthcoming Events
