

BUBBENHALL PARISH COUNCIL

FLOWER PLANTER PROJECT

Background:

Without doubt a heart warming sight for many a driver and their passengers are the growing number of roadside flower displays that have been positioned to welcome you as you enter the village. This project has looked into the feasibility of putting on such a display in Bubbenhall.

Some Questions That Need Answering:

- How many do we want to buy and where do we want to put them?
- What type of planter do we want to buy?
- Who will be responsible for maintaining the planters?

Examples of Planters:

6 images
